

Call for Presentations

FALL 2024 MUWG CONFERENCE
SEPTEMBER 16-19
PHOENIX, AZ

HOSTED BY:

CONFERENCE THEME:
INVESTING IN TECHNICAL
SOLUTIONS AND PEOPLE TO
DELIVER RELIABLE AND
SUSTAINABLE UTILITY
SERVICES

CONFERENCE INFO

MUWG conferences offer information and learning opportunities for all user levels from those new to Maximo to those that have been using Maximo for years. We provide a forum for Maximo users to exchange information, methods and experiences, improve asset and work management practices & processes in the utility workplace.

SPEAKER INFO

We want to hear from you!

Speaking at a MUWG Conference gives you the opportunity to become one of the "best practice" presenters, network with peers and gain insight and recognition from industry professionals. Sessions can be either strategic or technical in nature and range from 30-75 minutes in duration. Speakers should plan on presenting in-person.

**FREE
CONFERENCE PASS**
INCLUDED FOR ONE
SPEAKER OF
APPROVED
PRESENTATIONS

VENDOR INFO

Vendors should encourage clients with Maximo "Best Practice" experiences to submit a proposal. Vendors may assist with a client presentation, but the client **must be** the main presenter. If you, as a vendor, submit a proposal on behalf of the client, the client speaker must be included on the submittal.

ABSTRACT SUBMISSION

Email completed speaker proposals to claycook@muwg.org. Submitted speaker proposals should relate to the conference theme and include:

- Presentation Title
- Presentation Purpose & Content (250 words or less)
- Speaker Name, Organization, Email and Phone

**DEADLINE TO SUBMIT
PRESENTATION PROPOSALS**
WEDNESDAY, JULY 10

Final presentation materials must be submitted to MUWG for review by Friday, August 30. If not received, MUWG may choose to replace the session & rescind the free speaker pass.

SUGGESTED TOPICS

MUWG Conferences include tracks for Power Generation, Transmission / Distribution, Water / Wastewater, Supply Chain, Mobility, Manager / Supervisor, Spatial, Transportation / Fleet, IT, and General Maximo.

Any Maximo success story and lessons learned may be submitted, suggested topics include:

- Upgrading to MAS
